像晶瓷剔透
你總是看穿我
花樣的年歲
青春的短歌

You always see me
through like a piece of glass.
You have me at my heydays,
filled with songs of youth.

我不会轻易忘记你
在最初之时
我已把你镌刻在我心
I will never forget you.
When we first met,
I have already engraved you in my mind.

戀愛學分　是一堂難修的學分
我讀你千次萬遍　仍是難過情關

Love 101 is a tough course to take.
Tens of thousands of times that I have studied the book of you, still I failed the course of Love.

這是最後一次
我不會再為你哭紅雙眼
我是如此的傷心

Tears for the one last time ...
A broken heart is all I have; never will
I cry my eyes out for you ever again.
